

# INDEPENDENT CHEFCHAOUEN ADVENTURE

## Trip Dossier

### 5 days itinerary

**Day 1 Tangier :** arrive by ferry or plane. Walk around the new city of Tangier with the charm of a Spanish influence appeared in its building. Visit the very famous square of Petit Socco and the Kasbah whilst walking around the Medina quarter. Stay for the night in a very welcoming hotel.

**Day 2-3-4 Chefchaouen :** drive to Chefchaouen passing through the natural beauty of the Rif mountain range. Chefchaouen's haze of blue and white appears in the distance as you approach. Check in and get ready for another different historical experience around the town.

The second day is to discover the surroundings of this magnificent town. Walk down to Ras el Ma (a natural spring from which Chefchaouen's water supply comes from). Visit the vibrant Medina of Chefchaouen and see how relaxing this part in Morocco really is. Savour the taste of Chefchaouen at late evening in Plaza Uta Hammam with a typical mint tea to be served.

The third day is an adventure based tour. Drive to Akchour, the best peaceful natural spot in Northern Morocco. It's a trekking adventure that will take us until the gigantic cascades. Have a tagine for lunch near the pure clean water in the middle of the tour. Walk through the big gorges passing through several beautiful lakes (swimming is highly included) to the attractive spot of God's bridge. The night will be spent in a campsite in the wild. Camping as well as hiking equipments are highly recommended ! (see the list bellow at the end.)

**Day 5 departure :** drive back to Chefchaouen, take the CTM coach to Tangier for departure.
